Medication	Medical Appointment	Date of Issue:	September 2015
	Documentation	Revised:	July 2017
		Page 1 of 2	

Purpose: To document all information from a medical appointment.

Responsibility of Support Worker:

- 1. To be used for any medical visits, e.g. doctor, emergency room, walk-in clinic, dental appointments, massage therapists, in-home care (VON), chiropractor, naturopathic medicine, physiotherapist, foot care, etc.
- 2. Specify in detail reason for the visit.
- 3. Document the details of the visit with the practitioners' diagnosis and recommendations. Include required follow up appointments, blood work, etc.
- 4. The Support Worker is responsible to support the individual to make regular dental appointments and regular contact with doctor.
 - 4.1. If the individual refuses to attend or make a medical appointment then it is to be documented.
- 5. Completed Medication Information Sheets are to be turned into the Module Manager.
- 6. Admin will file and update the medical appointment summary.
- 7. Health records will be kept on record as per policy AD002.
