Expectations and Goals

At the end of your training, you should have an understanding of:

- What Infection Prevention and Control is and why it is important
- How Infections are spread
- What steps you and others can take to prevent and control infections in our workplace

Completion Details

In order for your training to be recognized as complete you must:

- Review the material, take a screen shot of the final page, and let us know the date you completed the eLearning.
- Submit the screen shot to Tammy S. via fax at (807) 343-6090 or email at Tammys@avenueii.com.

If you have any questions during your training, please reach out to your Manager.
